Las Palmas-Ponderosa Lodge #366, F&AM

August 1994

From the East

Brethren,

I hope everybody is enjoying their summer. I know the officers are enjoying the break before we re-open in September with a complete line of degrees. The officers will be coming back in advanced stations. If you missed last stated meeting, Brother Chris (the organist) won the \$50 for the wildest shirt. There will be another chance for you to win. In September, we will have the ugliest tie night. This will let everybody know my open color program will officially come to an end since we will be back in full swing. It has come to my attention that the helpers in the kitchen are asking that all the ladies and brothers please stay in the waiting hall before Stated meeting dinner. It makes them easier to set the tables and get everything ready.

Shortly we will have a pool table in the card room. Once installed any brother wishing to play feel free. Remember the lodge is open during the day from 8 to 12 daily. Look for our new addition donated by the Crossland family.

See you in Lodge!
Tip Banks, Master

Did you know that?**

**What are you doing that is so important
that you cannot take time out to attend

From the West

Brethren:

I hope all of you have been enjoying this summer. As you know we are dark for the summer so this report is very short. Our only meeting will be a stated meeting for August. Congratulations to the winner of last month's stated meeting Hawaiian shirt night. Be sure to come to dinner and stated this month.

PROCLAMATION

CONSTITUTION OBSERVANCE MONTH

When we study the history of our great Fraternity, we are continuously impressed with the prerequisite of *liberty*. And once the role of liberty is fully understood, the true meaning of the *free* in Freemasonry becomes apparent and, then, the importance of our annual **Constitution Observance** program is made abundantly clear. For without a free society there would be no Freemasonry.

The goal of this annual Masonic program is simple. Every lodge or district develops its own program. One which will encourage membership and community support for the protection, securing, and understanding of the **Constitution of the United States of America**.

The freedom we now enjoy was not easily won nor will it be so easy to retain. Freedom demands the very best we have to give. *Duty* and *responsibility* must be constantly exercised by each and every citizen or apathy will surely separate us from our precious freedom. *Have we really delivered this message throughout our jurisdiction? Can we rest until we have done so?*

I, therefore, proclaim the month of September, 1994 to be:

U.S. CONSTITUTION OBSERVANCE MONTH

and direct every lodge in California to hold public ceremonies during this month, commemorating the signing of the U.S. Constitution on September 17, 1787.

Also, I direct that this Proclamation be read at the August and September Stated Meetings of each lodge and, when convenient, that it be published in the lodge bulletin.
