Greetings from the East

Happy April everyone, I hope you all had a lucky St. Patty's Day and a happy Easter. This has certainly been an active month for our lodge this past March with many new Masons joining us as we had the pleasure of conferring several first degrees during this past month.

I would like to congratulate Brother Anthony Rodriguez on his excellent Third Degree proficiency given at our last stated meeting, certainly no small challenge and the first step toward a continuing future in the performance of the ritual of our craft. At our last stated meeting we also had the honor of hosting Worshipful Brother David A. Coleman, the Inspector of our 614th Masonic district for his official visit and would like to thank him for coming. Also this past month I had the pleasure of attending a reception for our Grand Chaplain of California, John Hinck hosted by Fresno Lodge No. 247.

Also I have been asked by the Fresno Scottish Rite bodies to announce to our members, particularly our many new Master Masons who have recently received their third degree that the Scottish Rite will be having a degree class the first two weekends in May. Cost of initiation for the 4th-32nd degrees is \$150.00, anyone interested in taking these degrees please feel free to contact the Scottish Rite office or myself as I have petitions available. This is a fun and enlightening event and

I encourage you all to attend, April will continue to be a busy a productive month for our lodge and I hope I will see you all very soon at upcoming dinners and degrees.

Greetings from the South

Excitement is in the air at Las Palmas-Ponderosa lodge. Spring has brought not only wonderful weather but continued growth to our brotherhood. As the Junior Warden I have had the honor to bestow upon brother's David Garza, Douglas Garza and Daniel Tamayo their entered apprentice degree. We welcome the new faces with open arms.

Stated meetings are a favorite of mine, the food is always outstanding! We are so lucky to have such a wonderful staff of cooks and volunteers who tickled our pallets with Salisbury steak, mashed taters, corn and a full salad bar. Least not, I forget the fabulous appetizers displayed buffet style. Farm boy heaven if you ask me.

We had a special guest this month, the district inspector and a Past Master, Worshipful David A. Coleman. It was great to catch up with him for his annual visit, thank you David for joining us this month and we look forward to your next visit.

St. Patrick's Day has past and by the time you read this we will all have enjoyed a wonderful Easter holiday filled with family and friends. I have little ones and the Easter egg hunt is definitely a highlight for me. Saturday before Easter I snuck away from the family to support our brother, Ryan Marrett, in the staircase lecture competition. I was very impressed by his performance and his dedication to our lodge, he did an outstanding job. We will continue to support him as he climbs the ladder to the Grand Lodge. Thank goodness I have moved on from the Senior Deacon position, he would make me look bad. Congratulations Brother! Hopefully April will bring us Showers and the grass will stay green a little longer.

Until next month my friends.....after all I can only get my wife to write this for me once a month.

Heart of the Valley Assembly had a fun and exciting weekend at Grand Assembly. The fun started Friday Night when Joy participated in the Bow team ritual competition with Central Coast Assembly. Then Saturday morning, Joy participated in the individual ritual competition. Saturday morning was also Grand Choir practice for Gwen and our pledge group practiced for the pledge majority service. Saturday was highlighted with the entrance of the Charming Cheetahs and California Pledge conferring the majority degree for six of their members. Saturday night was an opportunity to meet new friends during the carnival and dance. Sunday morning started with a devotional service and formal ritual opening. A beautiful Initiation Ceremony was performed for 11 candidates, including our Lilly Rose. Sunday evening was highlighted by a special escort of the Grand Master of California and Revelations of 2017 Grand Officers.

Heart of the Valley Assembly No. 217

International Order of Rainbow for Girls

Once upon a time, there was a little girl who became a Rainbow Girl. On September 12th, 2007 Rainbow began teaching her many valuable lessons! She learned the seven lessons of the Rainbow, Faith, Hope and Charity. She learned to lead with confidence, and to how to make friends everywhere she went. She watched her assembly grow and blossom.

One day, this little girl looked in the mirror and noticed that she wasn't so little anymore! It scared her at first, but then it made her feel proud of all that she had accomplished. Then, on a late Sunday evening, this girl had a revelation and embarked on an unforgettable journey! She played pianos all over the state, traveled to many distant lands, and made friendships that would last a lifetime.

Just when she thought her journey ended, she was asked to direct her travels through a charming adventure! She searched high and low for girls to join her choir in a musical experience, and once again, found friendship and love all around her. This girl never dreamed she could have gone so far in such little time!!

Wasn't it only yesterday that she held firmly the hand of Faith? Yes, time certainly has flown by for this little girl. But she has cherished every second of this precious time in her life. She has made so many memories that have filled her heart to the brim! She owes many thanks to the girls and adults that have shaped her life with their love, laughs and many hugs!!

On March 20th, 2016 this girl said goodbye to a chapter in her life that she will always hold closely to her heart. She has walked beside Unicorns and Cheetahs who have impacted her life in a way that words cannot express! Her heart glows with pride reflecting on the last two years of her career as a Grand Officer. Although her journey through the Rainbow is over, this girl is at peace because she has found her pot of gold, and the light of the Rainbow will always radiate from her smile as she goes through life. With her heart full of music, walking with her sister's hand-in-hand, this girl is living happily ever after.

Bethel Guardian 49, Fresno

Bethel 49, Fresno teamed up with Bethel 288, Lemoore to for the Grand Guardian's Official Visit on March 7, 2014. The Bethel daughters planned a theme of "Happiness is...the sound of music" to honor the Grand Guardian and Associate Grand Guardian who love music and the movie by the same name. The daughters even performed an original song about Job's Daughters set to the tune of "My Favorite Things". The two Bethels had fun working together and demonstrating their proficiency in their work.

Also on March 7th, we were honored to host the Supreme Guardian (from Michigan) and the Associate Supreme Guardian (from Oregon) along with Miss International Job's Daughter and Supreme Bethel Honored Queen for dinner and the meeting. It was a once-in- a lifetime event hosting these dignitaries.

We meet on the 1st and 3rd Mondays at 7 pm at Fresno Masonic Center. Our next installation will be on Saturday, June 11th at 7 pm at Fresno Masonic Center. We would love to see members of our Masonic family at our meetings and installation.

Sincerely,

Hello again from Sharon Temple No. 92. I thought the article I wrote last month would be my last; but with our Queen Elect Jan Arnold's

Installation being on April 3rd I have the pleasure of writing you once more.

The month of March was busy. On the 2nd the Tulare-Kings Nile Club had their Queen's Official Visit and Installation of Officers at the Lamp Litter Inn in Visalia. The tables were decorated with a Spring and Easter theme. I received my first Stepping Stone. Stepping Stones can be presented in honor of or in memory of a member and the money spent for them goes to the Nile Foundation to support the Shriners Hospital. I was honored to receive one. The March 9th Session was Farewell and Election of Officers. We elected all the Line Officers, Pr. Recorder, Pr. Banker, and four Delegates to Supreme Session this June in Indianapolis. I gave my year end report and made it through the whole report without crying (That wasn't easy to do.).

Nile Sewing had a Salad Bar – Dessert Luncheon at the Tehran Shrine Center on the 16th. The food was yummy and the fellowship great. The Queen's Farwell Luncheon was held at Sunnyside Country Club on the 19th. It was a lovely Luncheon and I thank Lenore Stork, JPQ for doing such a wonderful job. I branched out a little and attended the Past Matrons and Past Patrons of the Central San Joaquin's Breakfast for the Worth Grand Matron and Worth Grand Patron and their Officers in Selma at the Spike and Rail on the 20th. That evening I attended the banquet for Rainbow and the Grand Assembly Session where I was presented along with other Masonic dignitaries. All the events were well attended by the members of Sharon Temple. Patrol, Choir and Pageantry also had their monthly meetings which I attended; and Installed the Officers in Patrol and Choir.

Our **Installation of Officers** in on April 3, 2016 at 2:00 PM at Las Palmas Masonic Center. It is an open Installation and **I invite all of you to come.**

Again I thank everyone for all their help and support in making this a wonderful year.

With Nile Love,

Carole Rea Littleworth, Queen

Las Palmas Lodge Members:

Being given the financial means to attend the college of my choice has been a blessing, but more than that, I have appreciated having the support and encouragement of my Masonic family. The scholarship went toward tuition and books. It allowed me to attend classes that have inspired me and expanded my worldview. It has also given me peace of mind, knowing that my desire to further my education is supported and valued by those around me and for that I will always be grateful.

DARK July and August

Greetings from the Archives

Last month I told you about the other Masonic bodies that were co-owners of the old Fresno Masonic Temple not allowing Las Palmas to get their share of the cash proceeds from the sale of the old Temple to the Fresno Redevelopment Agency in early 1963.

I did not join Las Palmas until 1967 so I do not have any first-hand knowledge of the matter. I did, however, get to talk to many of our members that did have first-hand knowledge. Here is what I have been able to reconstruct from our Lodge Minutes and what was told to me by Brothers who were present at the time.

Our Master in 1945, Dee Moyers, had purchased 5 acres on Clinton Avenue in Fresno where our Temple now stands. My father told me that Dee initially wanted to locate the depot for his Moyers Stage Lines on this spot. For some reason he changed his mind and in 1952 he made an offer to sell to all of the Masonic bodies in Fresno the 5 acres if they would construct a Joint Masonic Temple on the spot. Since other parcels of land were readily available in the new growth areas of the City of Fresno, I think it safe to presume that Brother Dee offered to sell this land at a discounted price.

We know that Brother Moyers did impose a date by which construction had to start on this new joint Temple. Unfortunately, I have never been able to find in writing the number of months and years that the offer was open. All I know is that this deadline was before January, 1959 and that it was not met due to the fact that all of the Lodges could not agree on what to build. The stories from old-timers said that the joint ownership had only one year to get things started. From the above dates it would appear that there was at least three years and perhaps up to five or six years for construction to start.
