April 1994

From the East

Brethren,

It has come to my attention that there is help needed on the Tresselboard committee. This call for help is not only for the Brothers but

also for the ladies. It consists of taking the articles to the printer, proofreading them, after they are printed, folding and mailing them. The brothers that are doing this job at the present time are doing an outstanding job, but many hands make the job go faster. If you are interested in getting involved please feel free to call me.

The Lodge again this year will be taking an active part in the Zoo Day. Just like last year, there will be a picnic while the event is going on continuously all day. Brothers will be needed for cooking, set up and tear down. Last year the officers and a small part of the Brotherhood showed up to help. This year I hope everyone will turn out to attend this event and volunteer some time. This event will be hosted by Clovis Lodge, Fresno Lodge, Madera Lodge and Sanger Lodge as well as Las Palmas Ponderosa. It is a good time to see old friends as well as meet new. This event will take place on May 21, 1994 from 9 a.m. to 5 p.m. at the Chaffee Zoological Gardens (the zoo).

This year we have the honor to confer numerous 2nd degrees and one 3rd degree. Without breaking our rules, it would be wonderful if the Brothers would stop by the secretary's office and ask Marvin for an application packet. Your Junior Warden is ready to go and strut his stuff, so give him the chance.

I would like to thank Wally Scott for filling in as Chaplain when Brother Ennis was under the weather. It was so nice to hear his

deep voice once again from the East. I would also like to thank Warren Carr for filling in for our Junior Deacon George Cary while he was in England.

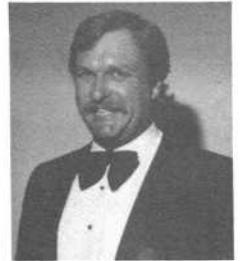

See you in Lodge!

From the West

Brethren;

Spring is upon us and Daylight Savings time means we can all get to Lodge before dark! I would like to congratulate our new fellow craft Brothers, in April we will be having second and third Degrees.

This April 23rd, we will be putting on a third degree in Columbia Lodge at 12:00 noon. For RVer's we have campsites at the Marble Quarry RV Park. For dinner we will be going to Sonora Joe's Restaurant. This is not a Banquet we will have the regular menu and regular prices (I can't remember ever having a good banquet dinner at a restaurant). The prime rib is excellent! Please call the Lodge Office to make reservations for the RV Park.

See you in Lodge!

PUBLIC SCHOOLS COMMITTEE

Another successful presentation was held at the John Muir Elementary School on March 24, 1994 at 1:30 p.m. Thanks to the Brothers who have donated bicycles, refurbished bicycles and supported the program in general. All of you are making a Public School a better place for young persons to obtain an education. A special thanks to Past Master John Higgins of the Fresno Lodge for his obtaining packaged cotton candy for all of the Students with perfect attendance over the period covered (307), almost half of the student enrollment. And a special thanks to Past Master Randy Forrester for his help in the committee and for highlighting the presentation as Popper the clown. Also thanks to brothers Cub Jack, Junior Warden and Dick Campbell for the continued effort they give in support of the public schools committee.

REMEMBER April is Public Schools month and we are being honored at our April Stated Meeting by Mr. Risteder, the Principal of John Muir Elementary School, Mrs. Fierro a member of his staff who is the schools Chairperson, and eight of the students who are very active in this program. Come and see them and hear first hand what your efforts are doing for this school and especially our future adults. Lets give a big Masonic welcome.
