November 1994

From the East

Brethren,

I would like to take this time to invite all Past Masters to Past Masters Night. I hope this year will be a big success and a large turn out by all. Originally, the charge was going to be \$10.00 per person. At the last stated meeting, past Master Larry made a motion on the floor that due to the availability of lodge funds, Past Masters should be lodge guests. The vote was taken and it was passed.

Please make sure to make your reservations so Mary can have an accurate count when planning the dinner. This year, Past Masters Night will be on November 2, 1994. If anyone would like to volunteer their help, it would be greatly appreciated.

Thanksgiving is also around the corner and during this time, members of our kitchen crew prepare a fantastic feast for us. As you know, to Mary this time of year is a special labor of love. Many hands make the work go so much easier. As usual, she will start cooking two days before our stated meeting dinner. If you can donate any of your schedule to help prepare this feast, please give Mary a call, she will appreciate hearing from you.

As November approaches, this year is quickly coming to a close and as Master of your Lodge I am pleased to report that we are at the present time running under budget! I am projecting that this year will finish with a carry-over of funds to the next term. I would like to thank everyone for their support this year... especially the officers of the lodge. This goal would not have been accomplished without everyone pulling together. I know that this Lodge will be in "good hands" next year with the line of officers moving into their new stations in January.

See you in Lodge!
Tip Banks, Master

From the West

Brethren:

„Fall is with us already. This year has been flying by with Thanksgiving almost here. The officers are in advanced stations. Come to Lodge and stay active, as we move into our winter routine. We will be opening Lodge only three times this month: with Past Masters Night on Wednesday, November the second. Call for dinner reservations. Dinner at 6:30, Lodge 7:30. November 10th is open and Stated is on the 17th. The 24th is Thanksgiving and lodge will be dark.

We are planning a Cruise to Ensenada, Mexico, on the Royal Caribbean on March 24th thru 27th. \$299 inside rooms, and \$349 outside rooms. Call Bairds Travel TODAY and make your reservations by the end of the month.

From the South

Brethren,

I would like to thank the members of Las Palmas-Ponderosa Lodge for sending three officers to Grand Lodge to represent and vote on your behalf. It is especially appreciated to receive the financial assistance to help defray the expense of attending this very important process for Freemasonry in California. We are seeing some changes, but it is a slow process. The message was made clear... there must be a commitment to Masonic Renewal if we are to survive into the Twenty-first Century. If Freemasonry is to be a viable and relevant part of our society, it must:

- be active and visible in the community;
- be attractive to potential members;
- be endorsed by the family;
- explain its mission and vision in clearly defined terms;

I believe it was a successful session and look forward to participating again next year.

Our Masonic year is coming to a close but we still have degrees and activities and I invite you all to join us whenever you can.

Also, in the month of November we should pause and reflect on the events of history and especially on those who have served or are serving in the Armed Services of our Country. As
